Dear Parent/Carers of Scamps

Re: Covid-19.

Following the latest government advice, we will be remaining open until further notice.

However, the following new procedures will now be in place with immediate effect:

- Please do not bring your child/children into Scamps if they have a **temperature of 37.5 or above**. Children that develop a temperature during their session need to be collected immediately. Children should remain at home for 7 days.
- Please do not send your child/children into Scamps if they develop a new persistent cough. They should remain at home for 7 days.
- When dropping off your child in the morning we will be imposing a drop and go at the door. The staff will sign children in and out during this period. Please speak to your children to prepare them so they are not distressed. We will take the children to wash their hands immediately they enter the building and follow our good hygiene practices throughout the session.
- No parents allowed in unless unavoidable/emergency and they go through thorough hand washing. We have imposed this temporary measure to reduce the risk.

I appreciate these new measures may cause some inconvenience to parents, but during these uncertain times we have to follow government advice, safeguard children and staff and do everything we can to contain this disease.

Best wishes

Debbie, Tara and Chris

Scamps Managers
